

Robotics Camps Program Options and Tuition

All available options are listed in the table below. Please read the notes before making the payment:

1. Applications are open until the camp is full. Typically, the camp is full two weeks before the camp's starting date.
2. Do not make the payment until you have received the acceptance notification.
3. Applications will be evaluated upon receiving, and the acceptance rejection notification will be sent to the applicants within a week of their submissions.
4. The acceptance notification will guarantee the seat if the tuition is paid in full within a week (seven days) of the notification. If the tuition is not paid within a week, you need to email cidse.summercamps@asu.edu to check the availability of the seat.
5. Paid tuition less \$30 processing fee can be refunded, if the refund request is made seven days before the camp starts.
6. Fifty percent of the paid tuition can be refunded, if the refund request is made less than seven days before the program starts.
7. No refund after the program starts.
